Dear Neighbors and Friends –

We are proud to bring you our original coloring book, filled with sketches of sentimental Delaware County landmarks and entities that we all hold dear to our hearts.

Please know that our team is always here, ready, able, and happy to serve you in real estate. You may have a small question to run by us, or a need to sell or buy a home; We have you covered. Until we hear from you and connect in person, let the coloring begin!

Yours in Delco,

The Affinity Team
